

Safe Pools Are Great Pools.

The Victorian Government introduced new pool and spabarrier safety laws to save lives and make swimming pools safer for everyone.

As a pool or spa owner you must complete the following:

1. Register

Register your pool and/or spa with your local council by 1 November 2020.

2. Inspect

Organise an inspection of your pool and/or spa safety barrier by a registered swimming pool inspector.

3. Rectify

Rectify any issues identified by your pool and/or spa inspection.

4. Submit

Submit a certificate of compliance to your local council by the due date.
