

Part L: Experience Statement for Drainage work

If you are applying to be registered in the Drainage class of plumbing work, use this form to tell us about your previous Drainage work.

In column 1

Tick each area of work that you have done, otherwise leave blank.

In columns 2 and 3

For the column 1 items that you ticked, identify how often you did the work (column 2), and when (column 3).

In column 4

Explain your exact role in undertaking the work that you describe in columns 2 and 3.

Remember

- Please include as much detail as possible, because the Victorian Building Authority (VBA) will use this statement to work out whether you have enough experience for registration.
- In your application, you will need to provide references to confirm you have completed this work.
- You must not (under section 221V of the *Building Act 1993*) give any false or misleading statement or information in your application.
- To meet the registration requirements, you don't need experience in all the work items listed in column 1. But you do need experience in most of them.
- The VBA will return your application if it is incomplete or doesn't have enough detail, and ask you for more information.
