

Part L: Experience Statement for **Water Supply** work

If you are applying to be registered in the Water Supply class of plumbing work, use this form to tell us about your previous Water Supply work.

In column 1

Tick each area of work that you have done, otherwise leave blank.

In columns 2 and 3

For the column 1 items that you ticked, identify how often you did the work (column 2), and when (column 3).

In column 4

Explain your exact role in undertaking the work that you describe in columns 2 and 3.

Remember

- Please include as much detail as possible, because the Victorian Building Authority (VBA) will use this statement to work out whether you have enough experience for registration.
- In your application, you will need to provide references to confirm you have completed this work.
- You must not (under section 221V of the *Building Act 1993*) give any false or misleading statement or information in your application.
- To meet the registration requirements, you don't need experience in all the work items listed in column 1. But you do need experience in most of them.
- The VBA will return your application if it is incomplete or doesn't have enough detail, and ask you for more information.
