

Part L: Statement of Experience for Project Manager (Domestic)

How to fill out this statement

STEP 1

Read about the **skills, knowledge** and **experience** that you need to demonstrate to the Victorian Building Authority (VBA) if you are applying for registration in the category of a Person responsible for a building project, class of Project Manager (Domestic).

STEP 2

Fill out tables 1 and 2:

In table 1, tell us about your *general experience* in managing or arranging the carrying out of domestic building work by a registered builder for class 1 and 2 buildings.

In table 2, tell us about *four specific projects* that demonstrate your experience in managing or arranging the carrying out of domestic building work by a registered builder for class 1 and 2 buildings.

STEP 3

Read table 3. It explains the types of evidence that you can use to demonstrate the experience that you note in table 2. You will need to present your evidence portfolio to the VBA when you lodge your application.

Remember

- Please include as much detail as possible, because this statement will be used to work out whether you have enough experience for registration.
- In your application, you will need to provide references to confirm you have completed this work.
- It is an offence under section 246 of the *Building Act 1993* to give any false or misleading statement or information in your application.
- To meet the experience requirements for registration, you don't need to have done all the work items listed in column 1 of table 1. But you do need experience in most of them.
- We will return your application if this statement is incomplete or doesn't have enough detail, and ask you for more information.

STEP 1. Learn about skills, knowledge and experience that you need

Qualifications

If you have successfully completed the following qualifications, you will satisfy some of the technical knowledge required for registration in the category of a Person responsible for a building project, class of Project Manager (Domestic):

- Bachelor of Construction Management and Economics from Holmesglen Institute
- Bachelor of Construction Management (Honours) from Deakin University
- Graduate Diploma of Construction Management from Swinburne Institute of Technology
- CPC 50308 Diploma of Building and Construction (Management).

If you have not completed these certificates or diplomas, the VBA will assess your Project Manager (Domestic) knowledge against the competencies included in the certificates.

Experience

So the VBA can assess whether you have the required experience in managing or arranging the carrying out of domestic building work, you should provide a portfolio (tables 1, 2 and 3) of evidence that demonstrates your experience. This evidence must show you can arrange or manage the carrying out of all the activities associated with all classes of domestic building work in a competent manner and to a professional standard.

Your portfolio should include evidence of:

- your experience in the areas that you tick in table 1
- *four separate examples* of your participation in managing or arranging the carrying out by a registered builder (registered under the *Building*

Act 1993 in another class of domestic builder authorised to carry out that work) *all stages* of the construction of class 1 and 2 buildings including:
