

IMPORTANT FIRE SAFETY TIPS

STEPS I CAN TAKE NOW

There are a number of steps you can take today to reduce the risk of fire.

SMOKE ALARMS

Make sure you have smoke alarms that are in working order.

CHECK FIRE DOORS

Keep clear at all times.

FIRE ESCAPE PLAN

Get familiar with your building's plan.

FOR BALCONIES

AC UNITS

Keep clothing / materials at least 1 metre clear.

BBQs

Keep at least 50cm away from walls and anything that could burn.

SMOKERS

Always use a heavy, non-flammable high-sided ashtray.

IN CASE OF A FIRE, CALL 000 (TRIPLE ZERO)
